	017163507024	10017163507021	702A	RENA® Air 50 Pump	N/A	For tanks up to 10 gallons		Silent, yet powerful air pump. Noise suppression chambers, Long-lasting diaphragm, Unique precision locking base.	The innovative use of expansion chambers, curved casing and tight fitting base makes RENA AIR the quietest air pump yet. High pressure enables them to maintain optimum flow rate. UL and CUL approved. For up to 10 gallon tank, 1 outlet.	24	0.68	
	017163107026	10017163107023	702B	RENA® Air 100 Pump	N/A	For tanks up to 20 gallons		Silent, yet powerful air pump. Noise suppression chambers, Long-lasting diaphragm, Unique precision locking base.	The innovative use of expansion chambers, curved casing and tight fitting base makes RENA AIR the quietest air pump yet. High pressure enables them to maintain optimum flow rate. UL and CUL approved. For 10-20 gallon tank, 1 outlet.	12	0.86	
	017163207023	10017163207020	702C	RENA® Air 200 Pump	N/A	For tanks up to 30 gallons		Silent, yet powerful air pump. Noise suppression chambers, Long-lasting diaphragm, Unique precision locking base.	The innovative use of expansion chambers, curved casing and tight fitting base makes RENA AIR the quietest air pump yet. High pressure enables them to maintain optimum flow rate. UL and CUL approved. For 20-30 gallon tank, 1 outlet w/adjustment.	12	0.97	
	017163307020	10017163307027	702D	RENA® Air 300 Pump	N/A	For tanks up to 75 gallons		Silent, yet powerful air pump. Noise suppression chambers, Long-lasting diaphragm, Unique precision locking base.	The innovative use of expansion chambers, curved casing and tight fitting base makes RENA AIR the quietest air pump yet. High pressure enables them to maintain optimum flow rate. UL and CUL approved. For 30-75 gallon tank, 1 outlet w/adjustment.	12	1.33	
	017163407027	10017163407024	702E	RENA® Air 400 Pump	N/A	For tanks up to 150 gallons		Silent, yet powerful air pump. Noise suppression chambers, Long-lasting diaphragm, Unique precision locking base.	The innovative use of expansion chambers, curved casing and tight fitting base makes RENA AIR the quietest air pump yet. High pressure enables them to maintain optimum flow rate. UL and CUL approved. For 75-150 gallon tank, 2 outlets w/ adjustments.	12	2.27	
	017163127024	10017163127021	702B1	RENA® Air Tune-Up Kit 100/200	Replacement parts for RENA AIR 100 or 200 air pumps	N/A		Replacement parts for RENA AIR 100 or 200 pumps. Restores air pump to maximum output.	Replacement diaphragm and valve block for the RENA AIR 100 & 200 aquarium air pumps. Restores air pump to maximum output. Easy to install.	36	0.03	
	017163137023	10017163137020	702C1	RENA® Replacement Air Filters (100-400)	6 filters per pack for the Rena Air 100 to the Rena Air 400	N/A		Replacement air filters for RENA AIR Pumps. Protects pump from dirt and air contaminants.	6 replacement air filters for the RENA AIR 100, 200, 300 & 400 aquarium air pumps. Protects pump from dirt and air contaminants. Helps keep pump diaphragm clean. Should be replaced monthly.	36	0.02	
	017163147022	10017163147029	702D1	RENA® Air Tune-Up Kit 300/400	Replacement parts for RENA AIR 300 or 400 air pumps	N/A		Replacement parts for RENA AIR 300 or 400 Pumps. Restores air pump to maximum output.	Replacement diaphragm and valve block for the RENA AIR 300 & 400 aquarium air pumps. Restores air pump to maximum output. Easy to install. 2 kits needed for RENA AIR 400.	36	0.03	
	017163007074	10317163007072	707	RENA® Automatic Feeder	LG100 Automatic Feeder	N/A	N/A	Equipped with built in, low temperature heating system with eight different feeding settings.	Equipped with built-in low temperature heating system to eliminate humidity build up protecting nutritional integrity of food. Eight different settings allows tremendous user flexibility. High capacity food drum suitable for all types of dry food.	12	2.23	
	017163037040	10017163037047	704C	RENA® Micro-Bubbler™	2" Air Stone	N/A		Create millions of micro-fine bubbles with the air stone that outlasts all others.	The perfect air stone to maximize the oxygen level in aquarium water. Great for all freshwater & marine aquariums. Ceramic air stone produces clouds of micro-fine bubbles. Outlasts all other airstones and diffusers. Can be cleaned & reused.	36	0.08	
	017163047049	10017163047046	704D	RENA® Micro-Bubbler™	4" Air Stone	N/A		Create millions of micro-fine bubbles with the air stone that outlasts all others.	The perfect air stone to maximize the oxygen level in aquarium water. Great for all freshwater & marine aquariums. Ceramic air stone produces clouds of micro-fine bubbles. Outlasts all other airstones and diffusers. Can be cleaned & reused.	36	0.09
